

## CWORKS FAQ - Technical Queries

**8) I keep getting this message box (LOCK/UNLOCK) db, how do I get pass this box before I access my source codes?**

**A: The reason of this box appearing is because of 2 reasons:-**

- i) You have locked your database, if this happen kindly input your password and select unlock.**
- ii) Another Reason is that you have not executed the SHIFT+ENTER properly, The key to doing is to "HOLD""SHIFT" and "PRESS""ENTER" just ONCE. This will enable you to access your source codes.**
